Cartoon Heroes

We are what we're supposed to be
Illusions of your fantasy
All dots and lines that speak and say
What we do is what you wish to do

We are the color symphony
We do the things you wanna see
Frame by frame, to the extreme

Our friends are so unreas'nable
They do the unpredictable
All dots and lines that speak and say
What we do is what you wish to do

It's all an orchestra of strings
Doin' unbelievable things
Frame by frame, to the extreme
One by one, we're makin' it fun

We are the Cartoon Heroes - oh-oh-oh
We are the ones who're gonna last forever
We came out of a crazy mind - oh-oh-oh
And walked out on a piece of paper

Here comes Spiderman, arachnophobic
Welcome to the toon town party
Here comes Superman, from never-
neverland
Welcome to the toon town party

We learned to run at speed of light
And to fall down from any height
It's true, but just remember that
What we do is what you just can't do

And all the worlds of craziness
A bunch of stars that's chasing us
Frame by frame, to the extreme
One by one, we're makin' it fun

We are the Cartoon Heroes - oh-oh-oh
We are the ones who're gonna last forever
We came out of a crazy mind - oh-oh-oh

And walked out on a piece of paper

Here comes Spiderman, arachnophobic
Welcome to the toon town party
Here comes Superman, from never-
neverland
Welcome to the toon town party

You think we're so mysterious
Don't take us all too serious
Be original, and remember that
What we do is what you just can't do

What we do is what you just can't do
What we do is what you just can't do
What we do is what you just can't do
What we do is what you just can't do

We are the Cartoon Heroes - oh-oh-oh
We are the ones who're gonna last forever
We came out of a crazy mind - oh-oh-oh
And walked out on a piece of paper

There's still more to come
And everyone will be
Welcomed at the
Toon (Toon) Town (Town) Paaaaartyyyyy

Larger Than Life

I may run and hide when you're screaming
my name, alright
But let me tell you now there are prices to
fame, alright

All of our time spent in flashes of light

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it
right
And that makes you larger than life

Looking at the crowd and I see your body
sway, come on
Wishing I could thank you on a different
day, come on
Cause all of your time spent
Keeps us alive

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it
right
And that makes you larger than life

All of your time spent keeps us alive

All you people, can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it
right
And that makes you larger than life

Yeah, every time we are down
Yeah, you can make it right
Yeah, and that is what makes you larger
than life

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down
You can make it right

And that makes you larger
That makes you larger
That makes you larger than life

Unstoppable

There's a moment
In your bones when
When the fire takes over
Blood is running
Heart is pumping
As the battle gets closer
Ooh, they can say what they want now
Ooh, cause we'll be screaming out

We can be heroes everywhere we go
We can have all that we ever want
Swinging like Ali, knocking out bodies
Standing on top like a champion
Keep your silver, give me that gold
You'll remember when I say
We can be heroes everywhere we go
Keeping us down is impossible
Cause we're unstoppable

Oh woah, we're unstoppable
Oh woah, we're unstoppable

Every spotlight
Every sound byte
Everybody who gave up
Is just the fuel for
Wanting it more
Than anybody against us
Ooh, they can say what they want now
Ooh, cause we'll be screaming out

We can be heroes everywhere we go
We can have all that we ever want
Swinging like Ali, knocking out bodies
Standing on top like a champion
Keep your silver, give me that gold
You'll remember when I say
We can be heroes everywhere we go
Keeping us down is impossible

Come Alive

You stumble through your days
Got your head hung low
Your skies are a shade of grey
Like a zombie in a maze
You're asleep inside
But you can shake awake

'Cause you're just a dead man walking
Think of that your only option
But you can flip the switch and brighten up
your darkest day
Sun is up and the color's blinding
Take the world and redefine it
Leave behind your narrow mind
You'll never be the same

Come alive, come alive
Go and ride your light

Let it burn so bright
Reach it up
To the sky
And it's open wide
You're electrified

And the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide
open
And you know, you can't go back again
To the world that you were living in
'Cause you're dreaming with your eyes wide
open
So, come alive

I see it in your eyes
You believe that lie
That you need to hide your face
Afraid to step outside
So you lock the door
But don't you stay that way

[Female solo:]

No more living in those shadows
You and me, we know how that goes

[Male solo:]

'Cause once you see it, oh you'll never,
never be the same

[Both:]

We'll be the light that's shining
Bottle up and keep on trying

[All:]

You can prove there's more to you
You cannot be afraid

Come alive, come alive
Go and ride your light
Let it burn so bright
Reach it up
To the sky
And it's open wide
You're electrified

Come all!

To anyone who's bursting with a dream
Come one!
Come all!
You hear!
The call!
To anyone who's searching for a way, to
break free
