

Story of My Life

Written in these walls are the stories that I can't
explain
I leave my heart open but it stays right here empty
for days

She told me in the morning
She don't feel the same about us in her bones
It seems to me that when I die
These words will be written on my stone

And I'll be gone, gone tonight
The ground beneath my feet is open wide
The way that I been holdin' on too tight
With nothing in between

The story of my life, I take her home
I drive all night to keep her warm and time is frozen
The story of my life, I give her hope
I spend her love until she's broke inside
The story of my life

Written on these walls are
The colors that I can't change
Leave my heart open
But it stays right here in its cage

I know that in the morning now
I see us in the light upon a hill
Although I am broken, my heart is untamed, still

And I'll be gone, gone tonight
The fire beneath my feet is burning bright
The way that I've been holdin' on so tight
With nothing in between

The story of my life, I'll take her home
I drive all night to keep her warm and time is frozen
The story of my life, I give her hope
I spend her love until she's broke inside
The story of my life

And I've been waiting for this time to come around
But, baby, running after you is like chasing the clouds

The story of my life
I take her home
I drive all night
To keep her warm and time is frozen

The story of my life, I give her hope
I spend her love until she's broke inside

The story of my life

The story of my life
The story of my life
The story of my life

Tell Her About It

Listen boy
I don't want to see you let a good thing slip away

You know I don't like watching
Anybody make the same mistakes I made

She's a real nice girl
And she's always there for you
But a nice girl wouldn't tell you what you should do

Listen boy
I'm sure that you think you got it all under control

You don't want somebody telling you
The way to stay in someone's soul

You're a big boy now
You'll never let her go
But that's just the kind of thing
She ought to know

Tell her about it
Tell her everything you feel
Give her every reason to accept
That you're for real

Tell her about it
Tell her all your crazy dreams
Let her know you need her
Let her know how much she means

Listen boy
It's not automatically a certain guarantee
To insure yourself
You've got to provide communication constantly

When you love someone
You're always insecure
And there's only one good way
To reassure

Tell her about it
Let her know how much you care
When she can't be with you

Tell her you wish you were there

Tell her about it
Every day before you leave
Pay her some attention
Give her something to believe

'Cause now and then
She'll get to worrying
Just because you haven't spoken
For so long
Though you may not have done anything
Will that be a consolation when she's gone

Listen boy
It's good information from a man
Who's made mistakes

Just a word or two that she gets from you
Could be the difference that it makes

She's a trusting soul
She's put her trust in you
But a girl like that won't tell you
What you should do

Tell her about it
Tell her everything you feel
Give her every reason
To accept that you're for real

Tell her about it
Tell her all your crazy dreams
Let her know you need her
Let her know how much she means

Tell her about it
Tell her how you feel right now
Tell her about it
The girl don't want to wait too long
You got to tell her about it
Tell her now and you won't go wrong
You got to tell her about it
Before it gets too late
You got to tell her about it
You know the girl don't want
To wait, you got to
Tell her about it

I'm on My Way

I'm on my way from misery to happiness today
Uh-huh, uh-huh, uh-huh, uh-huh
I'm on my way from misery to happiness today
Uh-huh, uh-huh, uh-huh, uh-huh
I'm on my way to what I want from this world
And years from now you'll make it to the next world
And everything that you receive up yonder
Is what you gave to me the day I wandered

I took a right, I took a right turning yesterday
Uh-huh, uh-huh, uh-huh, uh-huh
I took a right, I took a right turning yesterday
Uh-huh, uh-huh, uh-huh, uh-huh
I took the road that brought me to your home town
I took the bus to streets that I could walk down
I walked the streets to find the one I'd looked for
I climbed the stair that led me to your front door

And now that I don't want for anything
I'd have **The Huntsman** sing I'm sitting on top of the world

I'll do my best, I'll do my best to do the best I can
Uh-huh, uh-huh, uh-huh, uh-huh
I'll do my best, I'll do my best to do the best I can
Uh-huh, uh-huh, uh-huh, uh-huh
To keep my feet, from jumping from the ground dear
To keep my heart, from jumping through my mouth
dear
To keep the past, the past and not the present
To try and learn when you teach me a lesson

And now that I don't want for anything
I'd have **Snow White** sing I'm sitting on top of the world

I'm on my way from misery to happiness today
Uh-huh, uh-huh, uh-huh, uh-huh
I'm on my way from misery to happiness today
Uh-huh, uh-huh, uh-huh, uh-huh
I'm on my way to what I want from this world
And years from now you'll make it to the next world
And everything that you receive up yonder
Is what you gave to me the day I wandered

I'm on my way to what I want from this world
And years from now you'll make it to the next world
And everything that you receive up yonder
Is what you gave to me the day I wandered

I'm on my way...I'm on my way
I'm on my way...I'm on my way...

Something That I Want

She's a girl with the best intentions
He's a man of his own invention
She looked out the window
He walked out the door
But she followed him
And he said, "What'cha lookin' for?"

She said, "I want something that I want
Something that I tell myself I need
Something that I want
And I need everything I see."

Something that I want
Something that I tell myself I need
Something that I want
And I need everything I see...yeah.

He's been livin' in a pure illusion
She's gonna come to her own conclusion
Right when you think you know what to say
Someone comes along and shows you a brand-new
way

She said, "I want something that I want
Something that I tell myself I need
Something that I want
And I need everything I see."

Something that I want
Something that I tell myself I need
Something that I want
And I need everything - 'cause

It's so easy to make believe,
It seems you're livin' in a dream
Don't you see that what you need
Is standing in front of you?

I want something that I want
Something that I tell myself I need
Something that I want
And I need everything I see

Something that I want
Something that I tell myself I need
Something that I want
And I need everything I see
