

Turn Up the Music

(performed by Lemonade Mouth)

Na na na na na, na na

Take a look around
Who would have thought we'd all be here?
So let's mess around
'Cause the future is unclear
We got nothing better to do
We just trying to get through
Can you hear me?
Can you hear me?
Yeah

Let the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soul
Let the music take you
Anywhere it wants to
When we're stuck and can't get free
No matter what we'll still be singing

Come on come on
Turn up the music
It's all we got
We're gonna use it
Come on come on
Turn up the music
Yeah

All we have is now
Let's make the most of this
Come on break it out
So every one can hear it
They don't have to understand
But we'll make 'em if we can
Do you hear me?
Are you with me?
Yeah

Let the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soul
Let the music take you

Anywhere it wants to
When we're stuck and can't get free
No matter what we'll still be singing

Come on come on
Turn up the music
It's all we got
We're gonna use it
Come on come on
Turn up the music
Yeah

Come on come on
Turn up the music
It's all we got
We're gonna use it
Come on come on
Turn up the music

Let the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soul
Let the music take you
Anywhere it wants to
When we're stuck and can't get free
No matter what we'll still be singing

Come on come on
Turn up the music
It's all we got
We're gonna use it
Feel the beat and just let go
Get the rhythm into your soul

Let the music take you
Anywhere it wants to
Come on come on
Turn up the music
Yeah

High Hopes

(performed by Panic! At the Disco)

Had to have high, high hopes for a living
Shooting for the stars when I couldn't make a
killing

Didn't have a dime but I always had a vision
Always had high, high hopes
Had to have high, high hopes for a living
Didn't know how but I always had a feeling
I was gonna be that one in a million
Always had high, high hopes

Mama said
Fulfill the prophecy
Be something greater
Go make a legacy
Manifest destiny
Back in the days
We wanted everything, wanted everything
Mama said
Burn your biographies
Rewrite your history
Light up your wildest dreams
Museum victories, everyday
We wanted everything, wanted everything

Mama said don't give up, it's a little complicated
All tied up, no more love and I'd hate to see you
waiting

Had to have high, high hopes for a living
Shooting for the stars when I couldn't make a
killing
Didn't have a dime but I always had a vision
Always had high, high hopes
Had to have high, high hopes for a living
Didn't know how but I always had a feeling
I was gonna be that one in a million
Always had high, high hopes

Mama said
It's uphill for oddities
The stranger crusaders
Ain't ever wannabes
The weird and the novelties
Don't ever change
We wanted everything, wanted everything

Stay up on that rise
Stay up on that rise and never come down
Stay up on that rise
Stay up on that rise and never come down

Mama said don't give up, it's a little complicated
All tied up, no more love and I'd hate to see you
waiting
They say it's all been done but they haven't
seen the best of me
So I got one more run and it's gonna be a sight
to see

Had to have high, high hopes for a living
Shooting for the stars when I couldn't make a
killing
Didn't have a dime but I always had a vision
Always had high, high hopes

Had to have high, high hopes for a living
Didn't know how but I always had a feeling
I was gonna be that one in a million
Always had high, high hopes
Had to have high, high hopes for a living
Shooting for the stars when I couldn't make a
killing
Didn't have a dime but I always had a vision
Always had high, high hopes
Had to have high, high hopes for a living
Didn't know how but I always had a feeling
I was gonna be that one in a million
Always had high, high hopes

Paperback Writer

(performed by the Beatles)

Paperback writer, paperback writer
Dear Sir or Madam, will you read my book?
It took me years to write, will you take a look?
It's based on a novel by a man named Lear
And I need a job
So I want to be a paperback writer
Paperback writer

It's a dirty story of a dirty man
And his clinging wife doesn't understand
His son is working for the Daily Mail
It's a steady job
But he wants to be a paperback writer
Paperback writer
Paperback writer, paperback writer

It's a thousand pages, give or take a few
I'll be writing more in a week or two
I could make it longer if you like the style
I can change it 'round
And I want to be a paperback writer
Paperback writer

If you really like it you can have the rights
It could make a million for you overnight
If you must return it you can send it here
But I need a break
And I want to be a paperback writer
Paperback writer

Paperback writer, paperback writer
Paperback writer, paperback writer
Paperback writer, paperback writer
Paperback writer, paperback writer
Paperback writer, paperback writer

Never Ending Story

(performed by Limahl)

Turn around
Look at what you see
In her face
The mirror of your dreams

Make believe I'm everywhere
Given in the light
Written on the pages
Is the answer to a never ending story
Ah

Reach the stars
Fly a fantasy
Dream a dream
And what you see will be

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon a rainbow
Is the answer to a never ending story
Ah
Story
Ah

Show no fear
For she may fade away
In your hands
The birth of a new day

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon a rainbow
Is the answer to a never ending story
Ah
Never ending story
Ah
Never ending story
Ah
Never ending story
Ah
